**Building Blocks ...**

**Jesus says to James and John in today's gospel, "Are you able to drink the cup that I drink or to be baptized with the baptism that I am baptized?" And James and John replied, "We are able." (Mark 10:38-39)**

Yes, James and John were willing to do whatever was necessary to make Jesus' gospel more known, more embraced, more lived-out by his followers. They were willing to take the lead, if need be, to make this happen. They were willing to make sacrifices of time, talent and treasure to spread the Gospel and to make connections with people unlike themselves. They were willing to be intentional missionary disciples and to go forth as Jesus' presence, in a world that often fought against the vision of the Kingdom of God.

Just as it was back then, today, the church celebrates our calling to reflect on the inclusive and urgent mission of the church to bring God's love to everyone and everywhere! It's called World Mission Sunday. It's a clarion call to allow others to experience the joy of Christ's message of reconciliation, peace, and joy by entering into their lives and accompanying them along the road to salvation! Pope Francis chose as the theme of this year's World Mission Sunday, "Go and invite everyone to the banquet."

According to this year's promotional materials, such an inspirational message invites us "to support financially and spiritually the work of over 1,150 territories worldwide where the Gospel has not yet been received, has only recently been embraced, or is courageously being upheld in the face of persecution." Our donations go to "support churches, hospitals, schools and vocations in countries where the church is in its infancy or where the church is poor."

May we, too, have the daring of James and John to do the difficult and to lead in building a world marked by the pervasive presence of Jesus Christ in every corner, in every heart, in every soul. In this way, everyone will know that they are indeed invited to the banquet.

The Holy Father's Message for World Mission Day 2024

**In 2024, World Mission Sunday** will be celebrated this **Sunday, October 20th**. Donations are collected at these world-wide Masses and they go, in their entirety, to support churches, hospitals, schools and vocations in countries where the Church is new, young or poor.

This year Holy Redeemer will celebrate our annual **Service of Light & Mass in union with those enrolled in our Tree of Life!**

**Thursday, November 7th at 7:00 pm**

We would like to invite all parishioners, family and friends to attend this special Service. On this occasion we will be remembering all parishioners who were deceased in the last year. Contact will soon be made to those who have experienced the recent death of a loved one.

We also invite parishioners to submit the names of family and friends who may not be from our parish but were also **deceased in the past year**. If you wish your loved one included in this service, please contact the office and leave their name by **Monday, Nov. 4th**.

Come join us for this beautiful celebration of new life on **November 7th!**

**Please Note** that our regular 10 AM mass will be **cancelled** on this day.

# Minnow Lake Seniors Thanksgiving Social Dinner

Our Minnow Lake Seniors Thanksgiving Social Dinner was held last Monday. It was a heartwarming afternoon filled with joy, laughter and the spirit of togetherness.

The Whatsoever You Do Team is incredibly grateful to the outstanding members of our parish whose financial support made this event possible, and to Father Peter who certainly made it a musical experience!

Thanks so much to our volunteers for your dedication and teamwork!

All who attended felt your generosity and feasted very well!

## We Are What We Eat!

"The renowned liturgist, Godfrey Diekmann, after discussing the various theories of what happened to the bread and wine used to challenge his students with these words: "What good is it if the bread is changed and we are not? Do you accept your own participation in God's divinity? Are you ready to become the food you rise to receive?" Diekmann was saying, "We are what we eat" at Mass."

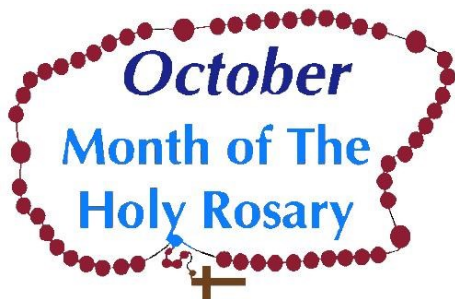

## NEW TO THE PARISH? WELCOME!

### *Book of Blessing*

(Located at the Entrance of Church)

In an effort to let parishioners know of relatives and friends who are in need of prayers, Holy Redeemer has a **Book of Blessing** at the entrance of the church, where you can print the name, your relationship to the person, and the reasons for the prayers needed for that person. (*for example, Joe Smith, cousin of Jane Doe who is recovering from heart surgery*) The intention can also be for a deceased loved one or for celebrations such as your birthday or anniversary, or for a successful labor and delivery!

These intentions will be read before the opening hymn. Please be sure that print is clear and legible. As well, permission **MUST** be granted ahead of time and box be checked, indicating so at time of writing.

Join in as we pray a decade of the Rosary before each of the weekend Masses during October.

If you can lend a voice by leading parishioners in 1 decade of the rosary before a mass, please **contact Julie at at 705-585-2414.**

## ADULT FUNERAL SERVERS

*Are you home in the day and would like to be of service to the church?*

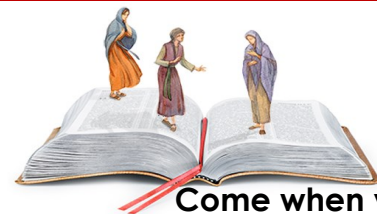

Holy Redeemer Parish is seeking adult funeral servers. These individuals are needed to assist at funeral Masses. (usually 3 people at one time). The parish has about 25 funerals a year and we would like to rebuild our call list. We do have some very committed individuals, however, ideally would be to offer rotations.

**This is a great ministry for one who is retired or who is home in the day. Both female and male are welcome and training will be provided.** If this ministry would interest you, please sign your name at the church Kiosk, call the office at 705-566-8330 or send an email to [holyredeemer@ssmd.ca](mailto:holyredeemer@ssmd.ca) Your *gift of time* would be much appreciated.

**The Paschal Mystery: Embracing Humility and Service**

Fr. Richard Rohr discusses Jesus' patient teaching with his disciples, focusing on the concept of the Paschal Mystery—the way up being the way down. This profound mystery challenges our desires for power and prestige. The disciples also struggled to understand this truth and argued about their importance. Jesus reminds them that true greatness lies in being a servant to others. The disciples missed the point, longing for glory and positions of honor. Jesus emphasizes a new pattern of leadership: to be important, one must serve others. If only the Church had embraced Jesus' call to humility and service, peace and justice might have come sooner. This references the gospel for the 29th Sunday in Ordinary Time, Year B.
